Senior Marketing Executive Doug Loveland Re-Joins Siguler Guff

NEW YORK, March 4, 2019 – Siguler Guff, a multi-strategy private equity investment firm with over \$13 billion of assets under management, announced that Doug Loveland has re-joined the Firm’s marketing team as a Managing Director. Based in Siguler Guff’s New York office, Mr. Loveland takes on a senior role focused on new business and product development. He will be responsible for the marketing and distribution of Siguler Guff’s product offerings to institutional investors, with a primary focus on U.S. market segments, as well as Canada and Australia.

Mr. Loveland originally joined Siguler Guff in 2011, leaving for a brief period in late 2017 to pursue an opportunity with a small, specialist private equity firm in the real assets space. Ken Burns, a partner at Siguler Guff and the Firm’s Chief Operating Officer, commented, “We are thrilled to welcome Doug back to the Firm. He brings 15 years of institutional marketing experience and deep relationships to Siguler Guff, and was a key contributor to the success of the Firm during his prior tenure. With this strong addition to the team, we are extremely well-positioned for continued growth in the years ahead.”

Prior to his experience at Siguler Guff, Mr. Loveland was an Associate Director of Institutional Sales at WisdomTree Asset Management, a fundamentally weighted index and ETF sponsor. In this capacity, he was responsible for business development and U.S. institutional client relations. Prior to joining WisdomTree, Mr. Loveland worked at Fidelity Investments in retirement planning and private client account management. He holds a B.A. in Economics from Gettysburg College. He is a CFA charterholder and a member of the CFA Society New York.

Drew Guff, Managing Director and founding partner of Siguler Guff, added, “We are pleased to welcome Doug back to the Siguler Guff family. Together with the other senior members of our marketing team, we are well-suited to partner with our clients to leverage the extensive opportunities in today’s global private equity markets.”

“I’m excited to re-join the team here at Siguler Guff and to once again work with such an insightful and skilled group of people,” commented Mr. Loveland. “I look forward to contributing to the growth and evolution of the Firm as we continue to pursue our core investment strategies, while also identifying new, niche opportunities in today’s increasingly complex investment environment.”
