

DREW GUFF ELECTED BOARD CHAIR OF THE GLOBAL PRIVATE CAPITAL ASSOCIATION

New York, New York, February 15, 2022 – Siguler Guff & Company, LP (“Siguler Guff”), a leading global multi-strategy private markets investment firm with \$16 billion of assets under management, is proud to announce that Drew Guff, the firm’s Managing Director and Founding Partner, has been elected Board Chair of the Global Private Capital Association (‘GPCA’).

Led by prominent general partners and limited partners, GPCA is the leading industry association of international private equity firms pursuing global growth and emerging market investments. The association represents approximately 300 private capital investors across 60 countries who collectively manage more than \$2.0 trillion in assets across Asia, Latin American, Africa, Central & Eastern Europe and the Middle East. Mr. Guff joined GPCA’s Board of Directors (formally known as EMPEA) in 2017.

Siguler Guff has been successfully investing in global emerging markets for over 20 years. During this time, the firm has deployed more than \$5.0 billion through private equity managers and direct investments in Asia, Latin America and Eastern Europe. In 2021, Siguler Guff raised its first global emerging markets direct investment fund, GEMCo.

Mr. Guff said, “I am honored to serve as GPCA’s Board Chair and collaborate alongside the organization’s distinguished Board of Directors who head many of the most successful global private capital firms in the world. It’s an important and exciting time for the organization and its members as investment opportunities in Asia, Africa, CEE, Latin America and the Middle East continue to soar.”

Cate Ambrose, GPCA CEO and Board Member, said, “We are thrilled that Drew has become our new Board Chair. He is a pioneer investor across many of the regions we represent and a founding member of the organization. Given his exceptional experience and expertise, Drew is ideally positioned to help advance our mission to ensure the association and its leadership accurately represent the expanding opportunity set in global private capital markets.”
